The road to consistent profitability and (the front door of your bank) is traveled down the path of least resistance; the smart money shows you the way on the price chart so why not just let them take the lead down the path? It is said that it takes 10,000 hours of reading charts to be able to get consistently profitable as a retail trader, why not cut down that time and learn to let the smart money do all the dirty work, by using supply and demand combined with End of Day trading you can do just that. Learning to be a great investor and trader does not have to be a long, hard road-trust me on this. I had to unlearn a lot of things that are of no use to anyone in the live markets. I don't want you make those same errors and Beginners Guidebook to Supply and Demand End of Day...
