Yet Will I Trust Him, is a Bible Study on the book of Job. In this life all people go through tragedy and trials. It's a part of being human and living on this world. Everyone goes through their own problems and the Book of Job deals with this issue head on. Through a series of lessons, Yet Will I Trust Him, allows the reader to study the life of a man who suffered a series of misfortunes only to defend himself before society and God. Learn from him and become a stronger person. The book of Job has 42 chapters and this study is broken into 26 lessons. Each lesson covers 1-2 chapters so you won't be overburdened with reading too much information. In addition, each lesson is broken into three different sections. First, you have the questions relating to the Bible. After that, there will be personal questions to answer that relate to what the reader has studied. Then the last section, Just a Thought, is a brief information relating to the chapter for more information. If you would like an in-depth look at Job and life of suffering through hardship, this is the book for you. Ricky LaVaughn is an author, publisher, and motivational speaker.
