Peirene Press Ltd. Paperback. Book Condition: new. BRAND NEW, Next World Novella, Matthias Politycki, Anthea Bell, Hinrich takes his existence at face value. His wife, on the other hand, has always been more interested in the after-life. Or so it seemed. When she dies of a stroke, Hinrich goes through her papers, only to discover a totally different perspective on their marriage. Thus commences a dazzling intellectual game of shifting realities. ----- Why Peirene chose to publish this book: 'This novella deals with the weighty subjects of marriage and death in an impressively light manner. Shifting realities evolve with a beautiful sense of irony and wit. It is a tone that allows us to reflect - without judgment - on misunderstandings, contradictory perceptions and the transience of life.' Meike Ziervogel, Publisher.
