LEARNING TO SERVE

Book Condition: New. Publisher/Verlag: Springer, Berlin | Promoting Civil Society Through Service Learning | Service learning, as defined by the editors, is the generation of knowledge that is of benefit to the community as a whole. This seventh volume in the Outreach Scholarship book series contributes a unique discussion of how service learning functions as a critical cornerstone of outreach scholarship. The sections and chapters of this book marshal evidence in support of the idea that undergraduate service learning, infused...

Reviews

This book is definitely worth acquiring. I have go through and so i am certain that i will likely to read through again again in the future. Its been printed in an exceptionally basic way in fact it is only after i finished reading this publication in which actually altered me, change the way in my opinion.
