Stackpole Books. Paperback / softback. Book Condition: new. BRAND NEW, The Civil War: The Story of the War with Maps, M David Detweiler, "For readers addicted to histories or novels about the Civil War, a common challenge is the lack of adequate maps. This excellent volume satisfies that need, once and for all: It's the clearest, fullest collection of strategic and tactical maps available, a fine volume on its own and an indispensable aid to understanding many another book. Few works truly are 'must-haves' for a Civil War collection, but this one's essential." --Ralph Peters, author of "Cain at Gettysburg" and "Hell or Richmond" "The Civil War: The Story of the War with Maps" combines the colorful, detailed maps of an atlas with the vivid storytelling of the best narratives to piece together the nation-spanning jigsaw puzzle of the American Civil War. See the conflict develop from a few small armies into total war engulfing the whole South. The campaigns and battles are all here, with maps zooming in on the maneuvering and attacking armies: Bull Run, Shiloh, Antietam, Fredericksburg, Chickamauga, Chattanooga, the Wilderness, Atlanta, and more. The nationwide perspective--absent from so many other books and shown here on full-page maps--connects these dots into a cohesive story of the entire war, from the Atlantic Ocean to the Mississippi River, from Pennsylvania to the Gulf of Mexico. Distilling events into their essentials, the text focuses on the military history of the conflict and its cast of colorful commanders--Lee, Grant, Sherman, McClellan, and Stonewall Jackson. Captures all the war's intensity and human drama, its epic sweep from Sumter to Appomattox. The result is a unique book that educates, enlightens, and entertains. An ideal introduction for newcomers, refresher for buffs, and companion to other books during the war's 150th anniversary and beyond.
