## GROWING TOGETHER ACROSS THE AUTISM SPECTRUM: A KID'S GUIDE TO LIVING WITH, LEARNING FROM, AND LOVING A PARENT WITH AUTISM SPECTRUM DISORDER

AAPC - Autism Asperger Publishing Co., 2015. Softcover. Book Condition: New. A parent with ASD can provide his or her children deep love and support, along with a perspective on the world that is wonderfully unique. At the same time, the emotional and physical demands of parenting can be taxing for someone with autism. Growing Together Across the Autism Spectrum tackles a topic that has received little attention: the relationship between a neurotypical child and a parent on the spectrum. As such, this illustrated children's book provides a conversational starting point for families with a parent on the autism spectrum. While narrated from the perspective of a boy whose father has ASD and a mother who does not, his thoughts and questions apply equally to other variations of this family structure. While an ASD parent craves order, reason, and predictability, the experience of parenthood is inherently chaotic. This book fills a critical gap in resources for children and families with parents on the autism spectrum. It takes children's feelings of love, confusion, and worry seriously and promotes mutual respect, affection, and accountability among family members. Overall, this title reflects the importance of every family member's commitment to growing together. "As a parent of a child with high functioning autism, family member to others with ASD and a social worker, I found Growing Together to be a pioneering work. It is truly the first of its kind, not only for families with a parent who has autism but for readers of all ages and degrees of understanding about ASD. Written with such warmth and candor and a sense of humor to boot the book employs a gentle, non-threatening, interactive style to facilitate growth of the reader's personal insight. It also fosters a sense of compassion and empathy for each person...
