Movingly rendered, The Book of the Vision Quest is for all who long for renewal and personal transformation. In this revised edition with two new chapters and added tales from vision questers Steven Foster recounts his experiences guiding contemporary seekers. He recreates an ancient rite of passage that of dying, passing through, and being reborn known as a vision quest. A sacred ceremony that culminates in a three-day, three-night fast, alone, in a place of natural power, the vision quest is a mystical, practical, and intensely personal journey of self-knowledge.
