Comprehensive guide! Its this type of very good read through. It is actually writter in simple words and phrases rather than difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

Lulu.com, United States, 2015. Paperback. Book Condition: New. 214 x 149 mm. Language: English . Brand New Book ***** Print on Demand *****.Between September, 2009 and June, 2012 Julian Heicklen and his Tyranny Fighters were, confronted, harassed, attacked, arrested, jailed and more by the very law enforcers charged with protecting their rights. Their crime was peacefully giving jury rights pamphlets to people on public property. Now their stories of courage and inspiration - reported by Garry Reed as the events unfolded and posted in his Libertarian News Examiner online feature in over 70 news and commentary articles - have been collected in a single volume. All of the original articles are here, amplified with additional introductory notes by the author and by never before published background material from activist emails, reader comments, social media sites and reports from major media news articles. Also included is a special bonus chapter, Julian s Jailhouse Journal, the uncut, uncensored, unedited, deeply disturbing and biting witty account of his confinement in New York City s notorious Rikers Island jail.
