

Away in the Land of Smiles: An Aitan s Diary

By Nasir Faridi

Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Apparently a day to day account of a student of one of Asia s premier technological institutes - the Asian Institute of Technology (AIT), Bangkok, Thailand - Away in the Land of Smiles in fact is a short, serene and soul-lifting narration of daily events, activities and experiences that come in the way of a sensitive, sensible and sanguine student of this esteemed institute. In the book the writer seems to take his readers smoothly all along with himself in the colourful, interesting and eventful ambience of his physical environment as well as the deeper realms of his mental and at times spiritual thought processes and experiences.

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You wont feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).
