WAKE UP!

America Star Books, United States, 2013. Paperback. Book Condition: New. 213 x 135 mm. Language: English . Brand New Book ***** Print on Demand *****.A book of poetry and critical essays of opinionative belief directed towards government, education, religion, and people who keep themselves trapped in the thought that America is built off of opportunity and freedom. This is a book to simply give you a chance to see things as they truly are and maybe learn a thing or two along the way. A book that says age doesn't mean maturity. A book that says school given grades doesn't define knowledge. A book that says your religion is no greater than anyone else's religion. A book that says your job title doesn't make you any more special than the other guy. A book that says this country is no more special than the rest. A book to tell you it is okay to have a will to be weird. A book that teaches you that being normal is just boring. This is a book that is finally built off of 100% honesty. The purpose of the book is to judge it, relate to it, and get you to question your own way of life. Do you really think everything placed in front of you is exactly how you want it to be? Clear your eyes and see what the government, religion, and education really are. Is this country a country or a company? WAKE UP!.
