Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Problems of a Scottish Provincial Town August, 1903, the Carnegie Dunfermline Trust was founded by Mr. Andrew Carnegie for the uplifting of the working classes of his native city. An account of the constitution and scope of the Trust is given in the opening chapter, and it is therefore not necessary to refer to these now in detail. The writer acted as secretary to the Trust until his resignation in the autumn of last year, and the present volume is the result of his study in both official and private capacities of the social conditions of Dunfermline, and is put forward as containing a constructive policy capable of being realised by the Carnegie Dunfermline Trustees. But though the book is primarily concerned with Dunfermline, the author hopes it may not be without interest and value to civic workers generally, since the problems of Dunfermline are in a large measure the problems of many other towns throughout the kingdom.
